

Thirteen's Gazette

Both teams on top of the ladder! That is a first for this age group, well done to both sides for what is shaping up as a great year for our U13's.

We are hopefully looking at the White team being able to play finals for the first time this year, which is a great turnaround from them from the start of the season and reflects the effort they have been putting in, well done boys.

Team Photos

We've heard some families missed the opportunity to order photos on the night they were taken.

So the team at Field of View have setup an opportunity to order online given the original one has expired. Unfortunately we didn't know about the original one below so apologies for that! :)

Just follow the online ordering instructions in the image below, but they have set up a late order coupon **code that expires in on 12/7/18**, so use it - LATE18.

**Matt Whitty
White Team**

This week we play a big game against Donvale for top spot.

Make sure you parents continue to be awesome. I love the support we get, especially watching the way other club carry on.

Whitts.

We arrived at Bayswater on what looked to be a nice day. The boys were enjoying themselves and we reminded them we must concentrate and play hard.

It was a tight contest early but we managed to kick a few goals clear. but to Bayswater's credit they didn't give up.

We continued to try and kick the ball off the ground instead picking it up and at times it seemed we were hoping that someone else would get the ball instead.

Ben and JB worked really hard all day, while Harvey and Jacka worked hard on getting us back into the game.

One thing we need to learn is when we are not having our best day, we still need to contribute with voice or effort.

Luke kicked a ripping goal through his hard work and ended up with another 3 goal game while our other regular goalkicker Ollie also chipped in with 3 and Whitts kicked the other one.

Bayswater played a real solid 3 quarters and it was only in the last quarter that we decided to step up our effort and endeavour and we managed to kick away.

We are really happy with the continued improvement in some of our players. Harvey continues to improve and was again great off the HB line for us, while Big Nick is finding some confidence to go and get the ball. Lachie and Oz Moore lifted the defensive effort and then helped push it forward.

Huddo and Aido again took some good forward marks. We just need to work on Aidos kicking to get him to give the ball some air.

Stez who loves a bounce decided try and bounce the ball on the muddy centre area which didn't go down to well with our runner who had to go give some advice to him...

I would like to wish Jake Malone all the best as he goes into hospital for more surgery on his back this week.

We travelled to Upper Ferntree Gully and were prepared for a good performance.

We controlled the game early and had many forward entries, our mid field were working hard but we were a bit wasteful with possession and probably could have used and looked after the ball when we had it more - something to work on in the weeks to come.

We held a big lead at quarter time. We were consistent in the second quarter. Will Standfield was having a ripper on the wing, Trees controlled the ruck contests and gave Max, Nick, Webby and Tarkyn a really good look and first use of the ball.

Ryan Egan and Riley were providing good targets forward. We were well on top at half time.

Our third quarter was consistent with the boys rotating through various positions and adapting well to new roles.

In the fourth, full credit to Upper Ferntree Gully who gained many forward entries and kicked two goals.

Overall a good effort boys. Plenty to work on in the coming weeks.

Let's get better.

Cheers Ash.
