First 100 Game Players for our group

A massive congratulations to Jordy Moran and Nick Watson for being the first of our group to make the massive 100 game milestone. Nick is about as gifted a player as ERJFC has seen with great skills on both sides of the body and an amazing ability to read the play and get to the right spots. Jordy is a fantastic pack breaking marking specialist who uses his size to great advantage to seize possession and break clear to feed the ball to team mates. Well done boys and congratulations from everyone at the Roos!

We travelled to Mooroolbark to play a team that had already beaten us this year.

The boys were committed in the warm up but we knew it would be a test.

We moved a few players around. Mooroolbark won the ball early and kicked the first 2 goals, opening up a small lead. However our boys started to win some of the ball and got it forward.

Again this week Ollie kicked our first 2 goals and both were because he is such a smart thinker and user of the ball.

At half time we were 8 points down but well in the game. We spoke to each player individually and explained their role and what we expected out of them.

After half time the boys came out and kicked 7 goals to 1 to win by 33 points. All our players stepped up with Brodie kicking 2 goals and Oscar Moore, Stez, JB, Huddo, Whitts, Luke and Harry all getting goals.

Harry kicked a great goal from the pocket which Nick Sterritt took credit for after Thursdays training.

Huddo played forward and was

playing in front. This lead to him getting taking plenty of marks and kicks. It was a great game from Huddo, who was backed up by Aido, Noah, Brayden and Kelsey.

Flynn, Harvey & Finbar worked hard to get to the right spots and Lachie's tackling was again a highlight.

Jessie was down back on one of the best small forwards in our grade and he was able to nullify his opponent brilliantly. Jacka played off the HB line this week and was really solid and won lots of footy.

Jake was again into everything and is a valuable member of our team.

Sam, Ben, Noah, JB & Brodie were great and also linked up to kick a few goals. Luke was again super with his effort and strength over the ball.

This week we play Bayswater, who are a good team so we will be really tested again and hopefully we come switched on again and get another solid win.

Lots to work on in the coming weeks boys. Let's have a big finish to the season.

Keep improving.

Cheers, Ash

We travelled to Whitehorse Reserve to play Vermont.

It was a special day for two of our team members, Jordy Moran and Nick Watson who were both to play their 100th game for the club. Joining us as founding members of the first under 8 team and continuing through to today and racking up 100 games. What a terrific effort!

Jordy and Nick smashed through the banner and it was game on.

After a quick centre clearance and a mark and shot on goal by Watto, that was about as good as it got for the remainder of the first quarter.

Vermont were strong and hard at the contest and had numerous forward entries.

Josh Bourke was outstanding in defence, taking 5 intercept marks in 10 minutes and halting Vermont's attacks.

Our ball movement when we had possession was poor and

we struggled to gain any momentum. Scores were level at quarter time.

We battled hard in the second but Vermont stuck to their guns and applied the same pressure. We had more of the ball in our half but couldn't convert. We went in at the break one goal up.

We started to gain momentum half way through the third quarter. Our mid field slowly got on top and we realised that if we got first use and released to our runners in space it was a big advantage.

Our back six were battling hard and our forwards started to look dangerous. Two goals up at three quarter time.

After a real struggle for the first three quarters the boys played a strong, smart and aggressive final quarter. We had real momentum through the mid field and our hand ball receives doubled. This allowed our forwards to get space and one on ones. We finished well with 7 unanswered goals.
