

# PRESIDENT'S LETTER

Hi All ERJFC Players and Families,

Thank you to all our returning families and a massive welcome to all our new families for another amazing year of East Ringwood Junior Footy.

Here we are on the eve of Round 1, Season 2019! Hands up who's excited!

It has been non stop over the summer for our incredible army of volunteers to prepare for this moment, so I want everyone, players and parents alike, to do me a favour please and say a simple thanks and a handshake to your coaches, team managers, trainers and runners after your game this week, and keep it up all season. It's amazing how far this gesture can go, especially on a cold winter's day deep into June.

I greatly appreciate and would like to say a special thanks to our tireless committee who never stop. Behind the scenes, this amazing group are something to behold.

Congratulations to all our players, from Under 8s to Under 18s, on the hard work you have put into your skills, fitness and improvement during preseason. That hard work will hold you in good stead on Sunday.

Make sure that, after you have run out onto the ground with your mates, after you have shaken your opponent's hand and said good luck and are waiting for the siren and the ump to bounce the ball for the first time, you just think, how good's this, how lucky am I? Adrenaline's pumping, first touch doesn't get any better!

Training drills, wet games, having fun, coaches nights, social functions, coaches rev ups, canteen chips and pies, team managers stressing out, you wouldn't have it any other way because you know that footy season at East Ringwood is on and everyone's going to have the best year ever!

Family and friends, support passionately but in the right and humble way and with respect to all, especially the umpires and let's ensure that we have the best year ever. Best of luck in Round 1 and for the season.

Andrew Broadhurst,  
President,  
East Ringwood Junior Football Club.
