Dear Clubs

With the spread of COVID-19 increasing across Victoria the Eastern Football Netball League has made the decision to **IMMEDIATELY SUSPEND** all training, practice matches and events across the entire Competition until further notice.

The safety and welfare of our players, volunteers, officials and their families are our number one priority.

We will provide further updates to Club Executives later this week once the following key meetings have taken place;

AFL and League CEO meeting Tuesday  
EFNL Board meeting Wednesday night

Please communicate throughout your clubs and take the necessary action to ensure we as a League and our clubs are not by our actions spreading COVID-19 throughout the community.

Any issues or concerns please feel free to contact me.

Regards,
